CHAMBER MIXER

As the host of our May Mixer Curtis & Arata reminded all in attendance why you should be a Chamber member. The venue for this event could not have been more perfect. We had two complete floors to socialize and network with one another. How fabulous was that? From the outstanding food brought to us by Stan Dimond's Catering to the live entertainment by Jim Maris of Maris Music we all had a delightful time. Each month our Mixers seem to get better and better! We appreciate our wine sponsor, East Modesto Grocery Outlet for its commitment to the success to each of our Mixers as well.

Thank you again to the Professional Law Corporation of Curtis & Arata for hosting our May Mixer. Please join us for our July Mixer at Oak Valley Community Bank on July 17th. **P**
